Introduction

Chartwell Academy is a Private School registered in the Federal Republic of Nigeria, to carry on the business of running crèche and day care, nursery, primary and secondary school.

The school was born out of the need to provide unparalleled care and sound education for children whose mothers work long hours during the week by providing good environment where they can have a pleasurable early learning experience. This is targeted at the elitist parents who take the pains of taking their children out of the growing community of Magboro, Ogun State to far away Lagos, running the ever busy Lagos/Ibadan Expressway daily to ensure that their kids get a better and quality education. The promoter, therefore took cognizance of these challenges, hence the birth of Chartwell Academy.

Goals:

- ▶ To become the market leader amongst the big players in Nursery and Primary School service providers.
- ▶ To build and run a secondary school with full boarding facilities in at least two locations within the next 6 years.
- ▶ To be accredited as external examination centers for both local and international examination bodies.
- ▶ To become partners with local and international agencies on education and child development.
- ▶ To establish a university before the silver jubilee anniversary of the school.

Motto:

Moulding destinies

Vision:

To be the school that places high premium on preparing the children to be solution providers to challenges of their time.

Mission:

Chartwell Academy is established to raise knowledgeable, confident and purpose driven children with proven integrity who are mentally, morally and physically sound by combining the services of well trained, highly motivated and passionate personnel with modern techniques and facilities in an atmosphere of care.

School Anthem

Chartwell Academy
Citadel of learning
Founded by vision and insight
The school for greatness
The lifter of standards
The hallmark of distinct excellence

Matchlessly moulding destinies x 2ice

Chartwell Academy
Our own great school
Forever growing in Grace
God's own Heritage
Pacesetter in all respect
With integrity and creativity,
Wisdom and light
Arise to lead Nations.

School Pledge

I pledge to Chartwell Academy my school.
That I will utilize this golden privilege and
opportunity.

To be raised as an exceptional champion with
integrity, academic and moral excellence.

And be a shining star where ever I go.

So help me God.

Edo State House of Assembly

From Vision to Reality: *How It All Started*

In 2014 a family friend's son had a dream that Pastor Rita had a very big school. He told the mother who called me to relate her son's dream to me, warning that I shouldn't take the dream with laxity as her son's dream is usually on the spot. Towards the end of that same year in one of my prayer sessions, the LORD opened my eyes in a trance and I saw our compound gate wide open and many children on school uniform coming in. I wasn't sleeping and I began to think about it then I remembered the dream and subsequent calls by some of my church members asking me to start a school.

I told my husband everything about the dreams and my trance. His response was, this is God's vision that we must not take for granted. And I ask, how and where do we start? How are we going to get funds for such project? Then he said "what are we doing with this whole house and the compound"? Again, he said you are a Lawyer, you have to go for Post Graduate Diploma in Education (PGDE). Immediately I enrolled with National Teachers Institute, where I graduated with a Post Graduate Diploma in Education (PGDE) and later M.Sc. in Educational Planning and Management with Global Wealth University, Togo.

As at August 2016, the School flyers were handy and I went out for marketing, and as well entered a saloon where I usually make my hair and handed the flyers to the two sisters at the Salon. They both looked at me and started laughing. I was embarrassed at first but they said to me that they were laughing because just last week, one of them had a dream of me having a school, but they did not know how to relate it to me and then I was there with school flyers.

By September 2016, the school gate was wide open to the public into Creche, Start Right (KG), Nursery 1 and 2. First day, we had 10 children, second day we had 2 joined in the Grade School (Primary). By the end of first week we had 16 children all together. One thing some of the Parents who enrolled their children had in common at that time was that they were led by the Holy Spirit of God to enroll their child in Chartwell Academy. That continues till date. We eventually closed the term then with a population of 26 children. That was a great feat to be accomplished. By the end of that academic session (2016/2017) we had 32. However, we closed the first term of that session with 5 Teachers that we trained specially by Montessori experts who charged us heavily for that training and by second term (January 2017) 3 Teachers did not resume. They left with the knowledge acquired from the training. It was a near disaster situation, my husband and I took the matter in prayers to the one, the ALMIGHTY GOD who is bigger than the impending disaster. Then the LORD spoke and said "...it is my vision and not yours". Case closed! Three days later we started receiving CVs from Teachers with B.Ed, Early

Childhood Education and Montessori certifications. By the next Monday 4 of them resumed to spice up the system. Each year since then we started the next higher class, the children in the 2018 first grade class being the nucleus of the higher class.

As a result of the impeccable academic quality and standard we have created, Chartwell Academy became a household name and our Learners increasingly performing very well above their peers. By the end of 2019/2020 Academic Session, we had a sizable population registered in Crèche, Start Right, and Nursery up to Grade 6 to the glory of God. Over the years, as parents moved to other locations, some of our Learners moved with their parents while some children also come in along the way.

In March 2020, Covid 19 came with its evil pandemic and we had schools locked down for 6 months. That was a heavy blow but the LORD kept His word, "...it is my vision and not yours". By September 2020 we resumed with almost half the population not returning back to school in the first term. But by the end of that academic session we were coasting higher in population. This tremendous progress the school has made in a short space of time could only have been by the grace of God and the fact that the LORD said "... it is my vision and not yours".

As a result of the excellent services rendered by the school to its Parents, the promoters were encouraged to extend these services to children of Secondary school ages. Hence, we announced the launching of Chartwell High School in September 2021. The launching of the High School birthed Chartwell blossom. The Almighty GOD lavished His grace on this school for which we are very grateful. God's gifts and his call can never be withdrawn (Romans 11.29), so we know that the story of Chartwell Academy can only be from glory to glory. The vision is the LORD's!

Today, to the glory of God, we are graduating our sixth grade Learners, some of whom grew with us from Nursery to the completion of their Primary School and the first set of our Senior High School Students, who grew with us from Junior High School. We are very happy and grateful to Almighty God to have been a vital part of their childhood education. We have no doubt that they will be worthy and true ambassadors of Chartwell Academy in their new endeavors.

Pastor Rita I. Echiejile

► **PROPRIETRESS**
JULY 2026

Editor's Speech:

2025/2026 YEARBOOK

It is my great pleasure to welcome you all to the first edition of our School Yearbook. As I reflect on the 2025/2026 Academic session, my heart is filled with gratitude to God and to everyone who made this year a success.

Happy 10th Anniversary to us! It's indeed a decade of grace and excellence well captioned here.

This yearbook is more than photographs and records. It is a story of growth, discipline, achievements and excellence. It captures the laughter in our classrooms, the ambience on our sports field, comfort in our school community, and the quiet determination during assessments. Each page reminds us that education is not just about passing tests and examinations – it is about building character and developing the total child for our global society.

First, I extend my unreserved gratitude to my Director of Studies sir, and Proprietress Ma. Your strategic leadership and unwavering commitment to quality education have been the driving force behind every achievement in this academic session.

You lead with vision, serve with humility, and inspire us with integrity. Thank you for creating a school where excellence is standard and every child matters. I am greatly honoured to work under your tutelage.

To our Chartwell Royals, you are indeed "ROYALS" because you exude all round excellence. I have watched many of you start the year shyly and ended it much more confident. I have seen you support one another, take responsibility for your actions, and strive for excellence. Keep that spirit! The habit you form now – hard work, honesty, respect will shape your future.

To our dedicated academic and non-academic leads, I say "thank you" for your commitment. Thank you for your display of professionalism by keeping every statutory record of the school, endorsing given class activities and passing words of encouragement to our learners. Your effort echoes itself on every page of this yearbook. The sanitary condition of the school never go unnoticed. Thank you our maintenance officers.

To our parents and guardians, thank you for your prayers, trust and partnership. Your support at home makes our work in school easier and more effective.

As you go through these pages, may they remind you of the memories we created together this year and inspire you for the journey ahead. Our vision remains to be that school that places high premium on preparing the children to be solution providers to the challenges of their time.

Thank you for making this year unforgettable. Enjoy the memories captured in this yearbook!

Yours in service,

Mrs. Jeremiah Florence

► **EDITOR-IN-CHIEF,
CHARTWELL ACADEMY YEARBOOK 2025/2026**

Welcome Address

*by the Director of Studies,
Chartwell Academy on the
10th Anniversary Celebration
of the School*

**Governing Board of Chartwell Academy,
Indefatigable Chartwell Team,
Excellent Chartwell Royals,
Amiable Parents and Guests of Honour
Ladies and Gentlemen,**

Today as we mark the 10th Anniversary of a vision and a dream, my mind is deeply reflective as I consider the rapidly changing world around us. We live in an era driven by globalization, innovation, and Artificial Intelligence, all of which continue to reshape our societies and redefine the future. As I reflect on these realities, I am reminded of a dream inspired by Almighty God and nurtured by a firm conviction that He who plants a vision in the heart of a man will also provide the grace for its fulfilment.

Ten years ago, coming from my accounting and manufacturing background, I set sail on a mission to nurture young, curious mind into solution providers for the challenges of their generation. It has been a challenging yet rewarding journey. With the support of my ever-loving wife, Pastor Rita and the dedicated workforce that Almighty God has blessed us with, the journey became much easier than we could imagine.

What began as modest dream has today grown into a vibrant academic community where excellence, discipline, character, creativity, and innovation are consciously nurtured. Looking back over the years, we are filled with gratitude for every child entrusted to our care, every parent who believed in our vision, every teacher who gave selflessly of their time, talent and energy, and every stakeholder who contributed to the growth and success of this institution.

Our theme for this celebration, "Ebenezer", is both fitting and profound. In 1 Samuel 7:12, the Prophet Samuel raised a stone and called it Ebenezer, saying, "Thus far the LORD has helped us." As we celebrate this significant milestone, we acknowledge that our achievements are not solely the product of human efforts, wisdom or planning. Rather, they stand as testimonies to God's faithfulness, mercy, guidance, and sustaining grace through the past decade.

There were seasons of uncertainty, moments of challenge, and times when the future seemed difficult to predict. Yet, through every circumstance, God remained faithful. He provided strength when we felt weak, direction when decisions were difficult, and hope when obstacles appeared overwhelming. Today, we stand before you as living witnesses that God's grace is sufficient and His faithfulness endures through every season.

As educators, we recognize that the world our children are preparing to inherit is vastly different from the one we knew. The future belongs not merely to those who possess knowledge, but to those who can think critically, adapt creatively, lead responsibly, and serve humanity compassionately. At Chartwell Academy, our commitment remains steadfast: to raise learners who are not only academically sound but also morally upright, technologically competent, socially responsible, and globally relevant.

To our esteemed Parents, thank you for your trust, partnership and unwavering support over the years. Your confidence in our vision has inspired us to continually strive for excellence.

To our dedicated teachers and staff, I express my deepest appreciation. Your sacrifices, commitment, patience, and professionalism have been instrumental in shaping the lives of our students and building the reputation of this great institution.

To our dear students, both past and present, you remain the heartbeat of this academy. Your achievements, growth, and contributions continue to inspire us. We celebrate you today and look forward to the remarkable impact you will make in the society.

Ladies and gentlemen, as we commemorate this tenth anniversary, we do not merely celebrate the past; we commit ourselves to the future. The journey ahead is filled with new opportunities, greater responsibilities, and higher aspirations. By God's grace, we shall continue to grow, innovate, and provide an environment where every child can discover purpose, maximize potential, and achieve excellence.

As we raise our hearts in thanksgiving for the past ten years, we also look ahead with faith and confidence, trusting that God who has helped us thus far will continue to guide and sustain us in the years to come.

On behalf of the Management, Staff, and Students of Chartwell Academy, I warmly welcome you all to this historic celebration.

Thank you, and God bless you all.

Pastor Fred O. Echiejile

► **DIRECTOR OF STUDIES**
JULY 2026

Message from the Grade (Primary) School Head

2025/2026 ACADEMIC SESSION

**Director of Studies – Chartwell Academy
Distinguished Guests of Honour,
Esteemed Parents/Guardians,
My fellow wonderful Educators,
Excellent learners,
Ladies and gentlemen**

Ten years ago, Chartwell Academy Montessori was a vision – a blue print on paper and a dream in the minds of THE ECHIEJILES; to mould destinies so they embarked on the journey to provide equality and standard education, taking into consideration future expansion as it is witnessed today.

Exactly ten years today; Chartwell Academy Montessori was born at Magboro, Ogun State with only 10 number of learners and 5 teachers. Within these ten years of our journey, Chartwell Academy went through storms of harsh economic situation of the country since what affected most of our parents affected us too. Yet our goals remained unwavering. Instead, Chartwell Academy becomes resilience knowing how far we have gone and how much further we can go; instil in us strength and we become more passionate in achieving our goals.

Today, we stand together, shoulders high to celebrate a decade of tireless efforts – a two digit number in age. At this point we wish to say a big “THANK YOU to the ECHIEJILES and the following teachers who have been with us through thick and thin in the persons of Mrs. Ashaka and Mrs. Jeremiah.

Chartwell Academy Montessori will keep growing as we look ahead to the next ten years and beyond. We are immensely proud of our journey so far in delivering quality education.

Faithful God to you alone be praise! To our amiable teachers - my colleagues, we appreciate all your efforts and are proud of you. Our most valued parents, you are our partners in progress. God bless you all. So let us honour our past; celebrate our present and commit ourselves to even a brighter future.

Chartwell Academy @ 10 wishing you many more years of unstoppable progress in molding destinies to rule their world.

Mrs. Collins Eucharia

► **HEAD, GRADE SCHOOL**

Message from the Nursery School Head

2025/2026 ACADEMIC SESSION

**Esteemed Parents/Guardians,
Amiable Educators and
My sweet little ones.**

It is with great joy and a heart full of gratitude that I welcome you to our first year book, emerging this academic session – 2025/2026. This year has been one of a beautiful reminder that great things start small. In our Nursery classrooms, small hands have learnt big skills, small voices have shared big ideas and small hearts have shown great kindness.

As the Nursery school head, watching your wards take their first confident steps in learning has been my greatest privilege.

To the promoters of this citadel of learning, Chartwell Academy, I say thank you sir and ma for providing the platform for us to excel.

To our amazing educators and caregivers, I say thank you. Your patience, creativity, and love have created a safe and warm space where every child feels seen, loved, and encouraged to grow. You don't just teach letters and numbers; you nurture kindness, confidence, and love for learning that will last a lifetime.

To our Dear Parents and Guardians, thank you for trusting us with your most precious gifts. The partnership between the home and school is what allows our sweet little ones to blossom. Your support at home, your presence at our events, and your encouragement have made this year a success.

And to our Nursery pupils; you are our pride and inspiration. Never stop being curious, helpful, and brave. This is only the beginning of your journey, and we cannot wait to see the incredible things you will do.

As we close this chapter, I encourage every child to carry forward the values we have shared -respect, teamwork, and the courage to try again.

To our graduating Nursery two (2) pupils, we are proud of you and will always celebrate your achievements.

May the memories made here stay with you, and may the foundation laid this year support you for years to come.

Thank you and God bless you all.
